# Birch & Barley

Birch & Barley crafts every cocktail from fresh-squeezing all our juices, to infusing liquor, creating unique simple syrups and bitters, to carefully considering ice, garnish and liquor/liqueur for each cocktail.

Our cocktails are classified from beginner to intermediate and advanced. What happens as you progress to advanced? The cocktails get less fruity and more boozy. Some shaken, some stirred, some on crushed ice, some on large cubes and some with no ice or garnish. We encourage you to indulge and try new tastes, new flavors and push your cocktail experience to the next level.
